Certificate of constancy of performance

1245-CPR-3060A

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Easi-joist

Metal web beams and column for structural use

produced by

A1 Timber Engineering Limited

and produced in the manufacturing plant

**Unit 1, Nelson Business Centre, Bergen Way, North Lynn
Industrial Estate, Kings Lynn, PE30 2JH**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in the ETA

ETA-07/0032 Open Web Beams – Easi-joist

under system 1 are applied and that

the product fulfils all the prescribed requirements set out above.

This certificate was first issued on 16 January 2014 and will remain valid long as the ETA remains valid and the manufacturing conditions in the plant or the factory production control itself are not modified significantly.

A handwritten signature in black ink, appearing to read 'G Sumner', is written over a horizontal line.

**Gail Sumner
Director
Morecambe
16 January 2014**

This certificate remains valid subject to six or twelve monthly surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC. Product liability is the responsibility of the above company and CATG cannot accept any product or legal responsibility. Full details are available from:
